

CaDansa

Balfolk Festival

DAILY
2015

THURSDAY EDITION

Finally CaDansa 2015 has started! Welcome everyone to our 4th edition, for the second time in Duiven and for the first time in the brand new building the Ogent.

OCTOPUS' GARDEN - UNDER CONSTRUCTION

This year's lounge area, the Octopus' Garden is still under construction. You may have already seen the lovely plush red chairs, this room is also a cinema! After the movie on Thursday night our amazing decoration team will transform this room into a relaxing Octopus' Garden for you to enjoy during the rest of the weekend

HONEYMOON

Some people really love balfolk (to be honest, who doesn't?). After a beautiful wedding party last week with Lirio playing, Rachel and Jirco are using their honeymoon time to come to CaDansa. Best wishes to them!

THE TRAVELING WHALE

After many hours of driving a giant whale arrived at the hotel in the middle of the night, we let it take a well deserved nap in the hotel cafe.

RUMOURS

- *Wishes will come true this weekend!
- *Sitting at the bar can be dangerous if you are French, you may be asked to translate something for the crew... (Merci Flore!)
- *Placing the smoke detectors in the Wereldwijzer required some dangerous table/ladder/crate stacking (Don't tell the fire department!)
- *The men's clothswapping table has been taken over by the women's clothing due to lack of men's clothing.
- *This CaDaily is late because editor Barbara was busy making sure everyone could sleep at the Wereldwijzer

SEWING DISASTER

Did you see the bar- and housekeeping team wearing the lovely CaDansa woodland creatures aprons? Did you wonder why they were not wearing something with sea creatures?

Unfortunately our sewing machine died, so now all we have are unfinished underwater (fishes! seahorses!) aprons. So are you a fan of sewing by hand, or did you bring your sewing machine? Report to HQ and help us dress the bar- and housekeeping team in style!

QUOTES

*Louise, 16 hours before the start of CaDansa "What shall we call this festival?"

*Practicing tongue twisters (give it a go yourself!): "Als een potvis in je pispot pist, heb je een pispot vol met potvispis"

*Reception clerk on the phone with his supervisor "Do we have a place to store a 4 metre long sperm whale?"

*"Can you send me that picture of the whale you took this morning?" "Sure, I'll send it to you now" 5 minutes later... "Sweetheart... I deleted all my pictures this afternoon so I could have an empty SD card at the start of the festival"
