

# CaDansa

Balfolk Festival

DAILY  
2015  
SATURDAY EDITION

We are halfway! Two days of dancing and a day of workshops behind us, and the same ahead of us. Saturday will be the longest day of dancing this festival, with some very early workshops and there will be a swimpool-balfolk party!

## SWIM LIKE AN OCTOPUS

From 14:00 until 17:00 you can join our poolparty. For one coin you can swim for 20 minutes. In the pool there will be loads of floating toys and we've found some artists willing to play for you.

## RUMOURS

- \*The nightwatch at the Wereldwijzer allegedly has a 3 metre long balloon to hit you with if you forgot to check in or out.
- \*Volunteer Dirk-Jan is either wearing a very limited edition CaDansa t-shirt or he's wearing a misprint. Opinions vary.
- \*The top 3 of CD's sold on Friday was dominated by ZEF on the 1st and 2nd place with Black Balsam and Just Merlot, followed by Naragonia's CD Juliet.
- \*In the cloakroom on Friday you could score some bodypaint. Maybe on Saturday too?
- \*There are a lot of small girls at CaDansa, the t-shirt that was sold most often is a ladies S.
- \*When balfolkies who are cooking their own meal lack salt, they just ask their friends who are eating at the nearby restaurant to put some salt in their hands.
- \*Barbara is really scary when she finally gets angry enough to throw someone out.
- \*You guys are really good at synchronised toilet use. All toilets ran out of toilet paper at the same time

## THANK YOU!

On behalf our security (the guys and girls at the entrance to the Ogtent), thank you very much for constantly showing us your wristbands and being so good humoured about it. We've had some notoire locals trying to sneak into the festival and some were very "persistent", plus there seem to be too few toilets in this building. Lots of love from everyone at the door!

## HAPPY BIRTHDAY ROEL

Today is Roel's 24th birthday, so if you see him, make sure you congratulate him (ladies, 3 kisses is custom in the Netherlands). Roel is in charge of the Ogtent and is here every day, including his birthday to help us, answer our silly and serious questions and he really likes all of us!

- \*Rumour has it loads of folkies (and visitors from downstairs) cannot read! Or they just do not understand what "No Entry" and a big red cross means.
- \*Someone ordered the "Sea water", they did not order a second shot..
- \*The directions to workshoplocation "Visserlaan" are pretty difficult to follow, some people may still be wandering around.
- \*The ladies serving drinks to ZEF on stage were naked under their coats (or were they?).
- \*People returning to the Organic farm after the ball greeted by a rooster announcing the start of a new day.

\*Blind dates are dangerous. One lady was waving around indicating she needed a partner, and managed to hit the guy who wanted to dance with her in the face. He decided to dance with her anyway.

# MESSAGES FROM YOU

You left these messages with Paul the Octopus in the CaDaily mailbox:

\*We love Babboo.

\*Please tell to Ginette mother to be carefull about what she allowed to do here or not. PS: Bisous sous ton aisselle droite! Danke Well

# HAPPY HOUR

Not only does the bar have a great new drink: Breath of the Dragon, they will also have a happy hour on Saturday night. From 00:00 until 01:10 you can order a Bionade for only 1 coin!

# WIN A PRIZE

BmB, the band closing the festival on Sunday needs your help. They need a name that explains the abbreviation BmB. You can send your suggestions to the CaDaily mailbox (with Paul the Octopus on the bar). During their act on Sunday they will announce the best name and give out a price to the person who came up with it, so make sure you write your name on the paper with your suggestion.

# 15 MINUTEN LUISTEREN NAAR...

Natuurlijk bestaat er niet zoiets als 'uitgedanst zijn', maar tussendoor even pauze houden kan geen kwaad. Dus haal een biertje, sapje en/of koffie en kom luisteren naar een fragment uit 'Het magische verhaal van de Verteller'! Dit is een magisch-realistisch verhaal over lotsbestemming, mythische goden en een mogelijke verklaring voor het succes van The Beatles. Want was de manager van deze band, misschien wel de beste band ooit, meer dan wij ons realiseren verantwoordelijk voor het sterrendom van John, Paul, George en Ringo?

Laura leest voor uit eigen werk en voert je in vijftien minuten mee naar Liverpool en de legendarische Cavern Club. Ga jij mee op deze bijzondere reis?

Wanneer? Zaterdag om 19.30 uur

Waar? In de Octopus' Garden!

'Het magische verhaal van de Verteller'

is dit jaar nog verkrijgbaar bij jouw favoriete boekhandel.

# A WORKSHOP EXPERIENCE

During the Tanghe Coudroy ensemble workshop in primary school Remigius several small children (who still had to be in school at that time) descended on the classroom asking if they could listen to everyone playing. So suddenly it was no longer just an ensemble workshop, but several musicians sitting in a circle around a mass of small children (and leopard and 3 minions). They listened very quietly with wide open eyes and big smiles on their faces. After the performance they gave everyone a big applause and shook ALL the players hands to thank them. As one of the participants said: Great workshop, not just because of the kids, but this was definaately a great moment.

# TRASH

Even though we do our best to be as environmentally friendly as possible, we still have loads of trash. So much we had to take an early trip to empty our trash container.
