

Cadansa

Balfolk Festival

OCTOBER 2016

DAILY

PRE FESTIVAL EDITION

Less than a week and then we will see you all in Duiven in the OGtent (Remigiusplein 9). In this pre festival CaDaily you will find some practical information and a lot of pre festival fun!

TRAVELS

Make sure to check you travel plan shortly before leaving. There is work on the road and on the railroads at the moment. Check your train schedule on www.ns.nl to see what this means for your travel plans.

When you go by car you cannot reach the via the normal route. On our website under 'route' you will find a route description.

Some buses have a different schedule. Check your line at www.connexion.nl

DRESSING IN THEME

Every year Maartje de Goede, our designer, comes up with the most fantastic and cute artwork. The theme of this year is 'Nightcircus'. Some visitors came up with the idea to dress up in theme on Saturday. Think black and white, a touch of red and retro circus (but no clowns please, we don't want to scare anyone.) You can dress up in theme if you like, but nothing is obligatory. The best outfit will win a nice set of Cadansa posters and cards.

TICKETS

Did you print and pack your tickets already? When you don't have a printer, you can present them on your mobile phone as well, but we prefer printed tickets.

The tickets are sold out except for Thursday evening. It is possible to buy Thursday tickets online until Thursday evening 18u00. After that tickets will be sold at the door for 20 euros. Discount is not possible when you buy tickets at the door.

CLOTHING SWAP

Like last year there will be a clothing swap during the festival. Bring your old (clean, whole) clothes that you no longer wear to the festival and join our clothing swap.

WORKSHOPS

Did you see the workshop schedule and descriptions on the website? We hope that you can make a choice between so many nice workshops. With a weekend ticket the workshops are included. With a dayticket you can pay an additional 20 euros at the cash registration in the OGtent to get a workshop bracelet.

For the dance workshops you can just walk in and we close the door when it is full. For the music workshops you have to register via the website or at the cash registration in the OGtent.

CIRCUS ACTIVITIES

There will be some circus related workshops. We already announced the Acro yoga. That is acrobatic yoga, but don't worry, everyone can join!

POI

There will also be POI workshops in the OGtent. That is swinging around with balls in a 'sock'. It is nice to do it on music and it's very dynamic, just like dancing!

SWIMMING

We will make a nice waterballet in the swimming pool of the OGtent on Saturday. Everyone is invited to join! Bring your swimming clothes and a towel and have fun!

HALL OF MIRRORS

In the 'Hall of mirrors' we will have an open stage. Amongst others Duo Rodriquez Franceschini Duo, Nubia, Wim te Groen en Salmagondis will perform there. The schedule will be announced during the festival. Do you want to perform as well? Send an e-mail to info@cadansa.nl

There will also be a silent disco. We are still looking for DJ's. You can bring your laptop or MP3 player, plug in and let those people tune in to your channel! Sign up by e-mailing to
