

Cadansa

Balfolk Festival

OCTOBER 2016

DAILY

20 OCTOBER

Today we welcome our first visitors. So here is the first festival Cadaily! Some of you will read this edition in the OGtent, and for those who are still at home/at work it is more 'pre fun'!

THE CIRCUS TENT

- 19.00 Instructions for beginners
- 19.45 Les Bottines Artistiques
- 21.30 Multi Delta
- 23.30 Duo Abbas/Thézé
- 00.30 End

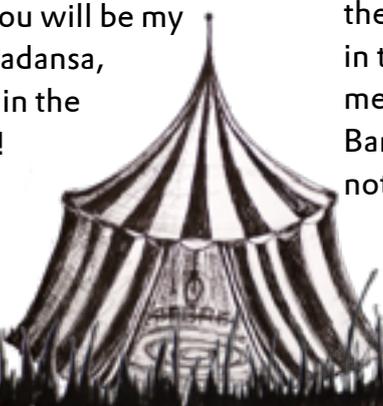

RUMOURS

Lars' favourite circus act are the acrobats (because they give them something to do as a first aid person?!)

Do you know the nice eco cups they have at French festivals? There will be Cadansa cups to add to your collection! They are somewhere in the Netherlands now and will arrive tomorrow... They will be 1 coin deposit

Louise slept for 8 hours (and Tuesday she spent the whole night making up gotcha challenges!)

Nori to Steven: You will be my 'playcat' during Cadansa, and 'o' we were in the same high school!

HALL OF MIRRORS

- 20.30 Folk Café Liemers (listening music)
Windroos
Rogier Jurcka Band
- 22.30 Silent disco/ DJ Robin (psst, it's his Birthday!)
- 23.30 Jam session (join in!)

We are still looking for Silent Disco DJ's. You can bring your laptop or MP3 player, plug in and let those people tune in to your channel! Sign up by knocking on the door of HQ or e-mailing to info@cadansa.nl.

THE CADANSA TEAM

In the photo you see the Cadansa team. From left to right you see Selena, who is in charge of the volunteers, Louise, the initiator of the festival and programmer, Barbara who is in charge of sleeping in the school, Niels, in charge of the cash register and Anne, that's me. Amongst many other things I make the CaDaily this year. Barbara used to do that before, but she had a really cute baby and does not have time for it anymore.

(It's a real Cadansa baby, with Cadansa shirt, so cute!)

WORKSHOPS FRIDAY

Did you plan which workshop you are going to do tomorrow? Here is the overview again. On our website and at the cash register you will find the descriptions. For the music workshop please register at the cash register. Some music workshops are fully occupied already. For the dance workshops you can just go to the location. We close the door when it is full. On the website and at the cash register you will find route descriptions for the locations.
