SEE YOU BACK NEXT YEAR!

Breaking news! There will be a CaDansa next year. In May Louise announced that she wanted to move on and do other things then organising CaDansa. And since CaDansa is her baby and she did not see anyone able and willing to take it over, it would be the last CaDansa. But there is one person with whom Louise trusts her baby and that is Selena. Walking around at CaDansa Selena realised that she wanted to continue this beautiful festival. She gathered a great team to do so. There were some hints in yesterday's Cadaily, did you

got them? Louise and Selena made the news public at the stage yesterday. We saw many tears of joy!

GOING HOME

Today we have a great final day. Do not miss the end ceremony at 18.30!

Please leave the building quickly after the festival so that we can clean up.

There will be an After Cadaily so keep putting things in the bag or e-mail to info@cadansa.nl with 'cadaily' in the subject :)

Health announcement

We are confronted with a serious epidemic. It is a D.T.D. Dance transferable disease, called 'glitter beard'. It has been said that the only cure is shaving...

15:15 Paracetamol
16:30 Jam session/boeuf
17:15 Silent disco
18.30 end (go to end ceremony!)

RUMOURS

- Yesterday we had a very talented face paint crew. Together they painted for 15 hours!
- A few women secretly peeked at the men's circle . It looked beautiful and delicious! <3
- CaDansa is almost over but anything can still happen! ...Serena and Florent met on the Sunday afternoon of CaDansa 2015, they haven't stopped dancing since then. They are getting married in April 2018! Congratulations from CaDansa!
- The volunteers are working very hard to make CaDansa possible, but they also have some relaxing time... they managed to make a 1000 pieces puzzle in this time (with really bad light in the volunteers hangout!) These volunteers can do anything!
- Conversation at the bar: "so you know this is the last CaDanca?", other person: "Yeah, yeah, right and were there dragons in that folk tale?"
- Are you thirsty? The Bardians of the CaDaxy are here to save you!
- You can fit many people in the Van der Valk hotel rooms... a group photo was taken at the afterparty!

A whale was once caught in a fish pond
Was forced to massage tout le monde
But after a while
He cracked up a smile
He had earned enough for his bail bond
