DECORATION

Did you take time to have a look at all the beautiful decoration? Special thanks to the deco team that made all of this by hand! They started months ahead!

Please don't swim naked in the hotel pool

SLEEP NEWS

- The CaDansa Sleep-In got decorated during the night... with bee routes and acorn bees.
- Some people found 'Pepernoten' (small Dutch cookies) in their shoes in the Sleep-In. This usually means that "Pete and Sinterklaas" came by and our visitors were "good kids" :)
- The guests in the hotel were given some rules to comply with. There's a story behind every rule, even the 'don't swim naked in the pool' rule...
- No updates from the farm yet; how was sleeping in the hay?

RUMOURS

- Someone noticed that all the musicians of 'nDiaz were wearing boxers in crazy colours and prints!
- Dirk-Jan made a nice video of the first night. Watch it by scanning the QR code. You don't need a special app anymore!
