OCTOBER 2018

DAILY

AFTER EDITION

Wait - what? CaDansa is over already? It really flew by! So... it's a good think we have this post-CaDaily and a lot of photos and videos to look back at. En we've something to look forward to as well: next year's CaDansa! Thank you all for a fantastic CaDansa festival. Bzzzzzzzz!"

SAVE THE DATE!

CaDansa will be back 24-27 October, not in Duiven, but somewhere in the Netherlands... We will keep you posted :)

PHOTOS AND VIDEOS

We found some really talented photographers that dared to catch the atmosphere of CaDansa in photo and video. And they did a really good job! Some of them were really quick to edit everything and put it online. So whenever you feel sad about CaDansa being over, just go www.cadansa.nl/cadansa-2018 to find photos and videos. Some to add? Mail to info@cadansa.nl

THANK YOU FOR ALL THE RED

RUMOURS

- CaDansa goes underground... We heard the organising team ended up dancing in the parking of the hotel...
- People in the sleep-in woke up with musicians playing a Fandango, and some people were still very energetic after CaDansa!
- The guys from Nubia didn't only get a big, warm applaus but also some pieces of lingerie thrown at them!

Sick of all the bee puns? Yea, they bug me too...

BEEES FOR BEEES

Did you buy a bee broche to help out the bees? Thank you! We collected €124,50 for the Butterfly Foundation. Forgot to buy a bee? You can still support the bees by donating to the Butterfly Foundation with [this link](#) or by planting flowers in your garden. Didn't plant the CaDansa seeds of 2017 yet? They will still grow into beautiful flowers when you plant them the coming spring!

LOST AND FOUND

Did you forget something at CaDansa? We still have some lost and found... Please e-mail to info@cadansa.nl when there's something you really want to have back.
